Who we are

We are the European Youth Card Association (EYCA) - a non-governmental, not-for-profit association of 38 member organisations in 36 countries across Europe. Together we work to empower Europe's youth.

EYCA member organisations issue the European Youth Card to 6 million young people and strive to achieve our vision of a Europe where all young people are mobile and active. We aim to encourage more young people to be socially, culturally, educationally, and economically mobile by delivering quality European Youth Card services and by contributing to better youth policy.

What's the EYCA Youth Panel?

The EYCA Youth Panel is the idea put forward by a group of young people just like you who came together at the EYCA Annual Conference, in Belgrade (Serbia) in 2017. They made a recommendation to the EYCA Board that cardholders should have a stronger voice when European Youth Card programmes and services are designed. This is what the Youth Panel is all about – giving you the opportunity to use your insights and experiences to help create services for over 6 million young Europeans while gaining essential skills and international working experience.

The EYCA Youth Panel is composed of **10 young people**, aged 18-30 years old, selected from amongst the over 6 million European Youth Cardholders.

What's your role?

As an EYCA Youth Panel member, you will be asked to provide insights into the challenges, experiences and priorities of young Europeans today. You will also act as Youth Ambassadors for the European Youth Card – promoting the programmes and opportunities offered to your friends and peers. Plus, you can receive EYCA support to organise activities in your community relating to issues you feel passionate about.

Your **2-year mandate** will mainly consist in:

- Building a strong online presence to promote European Youth Card programmes and opportunities amongst young people;
- Participating in insights workshops where you will debate and give input on what it means to be a young European today and how young people can be supported;

- Meeting the EYCA Board to directly contribute to the development of European Youth Card services and programmes;
- Running local or national actions to engage your peers in debates around European topics;
- Attend European youth events and promote the community of cardholders.

What's in for you?

- One-of-a-kind leadership programme with like-minded young people from across Europe;
- The unique opportunity to make your voice heard at the European level, with one of the largest networks dedicated exclusively to young people;
- The opportunity to make a difference and enact change for young people in your community and abroad;
- The possibility to travel across Europe for meetings and events.

Who are we looking for?

If you tick all the boxes below, we'd love to hear from you:
